

JUNE '17 UPDATE: **9725 patients**  
(29 countries, 160 sites)

Worldwide recruitment was incredible last year (see blue line in graph below) - what's happening this year (see red line)?  
**Every single patient counts!!!**

**Global recruitment January to June (2016 vs 2017)**

**Discuss with your teams to identify why patients are being missed and ways to avoid this!**

**CONGRATS to Sungai Buloh Hospital flying the CRASH-3 flag high in Malaysia - through strong teamwork they have increased recruitment at their site from 3 patients (March) to 8 patients (April) and 7 patients (May and June)!!!**
